Account Information

Typically, creditors report any changes made to your account information monthly. This means that some accounts listed below may not reflect the most recent activity until the creditor's next reporting. This information may include things such as balances, payments, dates, remarks, ratings, etc. The key(s) below are provided to help you understand some of the account information that could be reported.

Rating Key

Some creditors report the timeliness of your payments each month in relation to your agreement with them. The ratings in the key below describe the payments that may be reported by your creditors. Please note: Some but not all of these ratings may be present in your credit report.
